Pre-Tax Premium Deduction Plan:

All employees who contribute a portion of their monthly insurance premiums or have dependent coverage are automatically enrolled in the **Section 125 Pre-Tax Premium Deduction Plan**. This benefit increases your take-home pay, but also reduces PERA-includable salary. If you do **not** want this benefit, you must opt out during open enrollment by completing this form (check the box below). If you are already opted out, you don't need to fill out the form each year. You will remain in this status unless you opt in again.

As a reminder: Any money deducted for Section 125 Pre-Tax Premium Deduction Plan is not considered salary for PERA purposes. **If you are within four years of retirement and have dependent coverage, take time to evaluate whether you should participate in the BVSD Section 125 Plan. If not, please complete this form.**

I **DO NOT** want my insurance premiums deducted before taxes.

I have read the information about the Pre-Tax Premium Deduction Plan and do not want my insurance premium deducted before taxes, as I have indicated above. I understand I can not change my election until the next Flex Open Enrollment period.
