NONDISCRIMINATION/EQUAL OPPORTUNITY

(Complaint and Compliance Process)

The district is committed to providing a working and learning environment that is free from unlawful discrimination and harassment. The district shall promptly respond to concerns and complaints of unlawful discrimination and/or harassment; take action in response when unlawful discrimination and/or harassment is discovered; impose appropriate sanctions on offenders in a case-by-case manner; and protect the privacy of all those involved in unlawful discrimination and/or harassment complaints as required by state and federal law. When appropriate, the complaint shall be referred to law enforcement for investigation.

The district has adopted the following procedures to promptly and fairly address concerns and complaints about unlawful discrimination and/or harassment. Complaints may be submitted orally or in writing.

Definitions

1. "Compliance officer" means an employee designated to receive complaints of alleged unlawful discrimination and harassment. The compliance officer shall be identified by title, address, telephone number and email address. See exhibit AC-E-1. If the designated individual is not qualified or is unable to act as such, the Board shall designate an alternate compliance officer.
2. "Aggrieved individual" shall mean a student, the parents or guardians of a student under the age of 18 acting on behalf of a student, an employee of the district, or member of the public who is directly affected by and/or is witness to an alleged violation of Board policies prohibiting unlawful discrimination or harassment.

Compliance officer's duties

The compliance officer shall be responsible for conducting an investigation and coordinating all complaint procedures and processes for any alleged violation of federal or state statute or Board policy prohibiting discrimination or harassment. The compliance officer's duties shall include providing notice to students, parents/guardians of students, employees and the general public concerning the compliance process, providing training for

district staff regarding the prohibition of discrimination/harassment in all district programs, activities and employment practices, disseminating information concerning the forms and procedures for the filing of complaints, ensuring the prompt investigation of all complaints, coordinating hearing procedures, and identifying and addressing any patterns or systemic problems that arise during the review of complaints. The compliance officer may delegate any or all of the foregoing responsibilities as necessary and/or appropriate under the circumstances.

Complaint procedure

An aggrieved individual is encouraged to promptly report the incident as provided in Board policy and this regulation. All reports received by teachers, counselors, principals or other district employees shall be promptly forwarded to the compliance officer. If the compliance officer is the individual alleged to have engaged in the prohibited conduct, the complaint shall be forwarded to the Board.

Any aggrieved individual may file with the compliance officer a complaint charging the district, any student or any school employee with unlawful discrimination or harassment. Complaints may be made orally or in writing. Persons who wish to file a written complaint shall be encouraged to use the form in AC-E-2.

All complaints shall include a detailed description of the alleged events, the dates the alleged events occurred and names of the parties involved, including any witnesses. The complaint shall be made as soon as possible after the incident.

The compliance officer shall confer with the aggrieved individual and/or the alleged victim of the unlawful discrimination or harassment as soon as is reasonably possible, but no later than 10 school days following the district's receipt of the complaint in order to obtain a clear understanding of the nature of the complaint.

During this initial conference, the compliance officer shall explain the avenues for informal and formal action, provide a description of the complaint process, and explain that both the victim and the individual alleged to have engaged in prohibited conduct have the right to exit the informal process and request a formal resolution of the matter at any time. The compliance officer shall also explain that whether or not the individual files a written complaint or otherwise requests action, the district is required by law to take steps to correct unlawful discrimination or harassment and to prevent recurring unlawful discrimination, harassment or retaliation against anyone who makes a report or participates in an investigation. The compliance officer shall further explain that any request for confidentiality shall be honored so long as doing so does not preclude the district from responding effectively to prohibited conduct and preventing future prohibited conduct.

Informal action

If the aggrieved individual and the individual alleged to have engaged in the prohibited conduct consent to informal action and the compliance officer believes that the matter is suitable to such resolution, the compliance officer may attempt to resolve the matter informally through mediation, counseling or other non-disciplinary means. If both parties feel a resolution has been achieved through the informal process, then no further compliance action must be taken. No party shall be compelled to resolve a complaint of unlawful discrimination or harassment informally and either party may request an end to the informal process at any time. Informal resolution shall not be used to process complaints by a student against a school employee and shall not be used between students where the underlying offense involves sexual assault or other act of violence.

Formal action

If informal resolution is inappropriate, unavailable or unsuccessful, the compliance officer shall promptly investigate the allegations to determine whether and/or to what extent, unlawful discrimination or harassment has occurred.

The compliance officer shall prepare a written report containing findings and recommendations, as appropriate, within 45 school days following the compliance officer's receipt of the complaint or 30 school days following the termination of the informal resolution process. The compliance officer's report shall be advisory and shall not bind the Superintendent or the district to any particular course of action or remedial measure. Within 10 school days after submission of the findings and recommendation, the Superintendent or designee shall determine any sanctions or other action deemed appropriate, which may include recommendations to the Board for disciplinary or other action. Within 10 school days following the Superintendent or designee's determination, and to the extent permitted by federal and state law, all parties, including the parents/guardians of all students involved, shall be notified in writing by the Superintendent or designee of the final outcome of the investigation and action taken by the district.

Hearing procedure

For allegations under Section 504 and as otherwise required by law, the aggrieved individual may request a hearing. This hearing procedure will not address guilt or innocence or disciplinary consequences, which shall instead be governed by the Board's discipline policies and procedures.

The hearing officer will be an administrative employee of the district designated by the Superintendent. The hearing shall be informal. A student shall be entitled to be represented by his/her parent or by an attorney. An employee shall be entitled to be represented by an attorney or other representative of his/her choice. The complainant may appear at the hearing and shall be entitled to present testimony and other evidence.

Formal rules of evidence shall not apply. The compliance officer or designee may represent the district at the hearing and shall likewise be entitled to present testimony and other evidence. The hearing shall be closed to the public.

The hearing officer shall make a written recommendation to the Superintendent based upon evidence presented at the administrative hearing. Within 10 school days of receiving the hearing officer's recommendations, the Superintendent or designee shall determine any remedial or corrective action deemed appropriate.

Remedial or corrective actions shall include measures designed to stop the unlawful discrimination or harassment, correct its negative impact on the affected individual, ensure that the conduct does not recur, and restore lost educational opportunities.

Any party not satisfied with a decision made by the Superintendent may present his/her concerns to the Board. Any action taken by the Board shall be final.

Nothing contained herein shall be interpreted to confer upon any person the right to a hearing independent of a Board policy, administrative procedure, statute, rule, regulation or agreement expressly conferring such right. This process shall apply, unless the context otherwise requires and unless the requirements of another policy, procedure, statute, rule, regulation or agreement expressly contradicts with this process, in which event the terms of the contrary policy, procedure, law, rule, regulation or agreement shall govern.
