## **BUILDINGS AND GROUNDS SECURITY**

It shall be the intent of the Board of Education to provide security for the students, employees, and facilities of the District. This District-wide security program shall be administered through the Security Department, which is part of the Division of Operational Services. In emergencies, building staff may call on the Security Department for assistance.

The School District shall conduct annual school building inspections to address the removal of hazards and vandalism and any other barriers to safety and supervision.
