ADMINISTERING MEDICINES TO STUDENTS

Students shall not be permitted to take medication while at school unless such medication is administered in accordance with this policy and Regulation JHCD-R.

When a parent or guardian requests that his or her child's medication be administered at school, he or she must sign a release from the responsibilities pertaining to the administration and consequences of such medications. Under state law, any school employee who dispenses any medication to a student in accordance with written instructions from a parent or guardian shall not be liable for damages or subject to prosecution in any criminal proceedings for an adverse drug reaction suffered by the student as a result of dispensing such medication.
