

Baby Pictures 2008-2009

Attention Senior Parents!

The 2009 Lance Yearbook is offering an incredible opportunity that your senior will never forget. We have a great way to embarrass your child, while at the same time honoring their accomplishments. Your senior will cherish this message and picture for years to come.

You, the parents of senior students, have the opportunity to purchase space in a special section reserved for senior tributes to honor your son or daughter.

To be included in the yearbook, please fill out the attached form. Please type or print clearly. Limit your message to 150 words or less (75 words or less for 1/8 page). If your message is longer we may have to cut it down. Don't forget to include a photo along with your message. Make sure all items you send are clearly marked with your senior's name; this includes the picture, message, attached form and check or money.

Baby or childhood pictures are traditional, but current pictures are also acceptable. The yearbook staff will crop your pictures to fit the space. Please include a description of how you would like the picture cropped so we can include important parts of the photo.

If you wish to have your picture returned, please include a self-addressed stamped envelope with the picture. Materials will be returned in the spring after the completion and delivery of the yearbook. We make no guarantees for your photos-so we advise you not to send originals of family heirlooms (many local film processors can make copies of prints at high quality for a reasonable cost). This is a first come first serve opportunity so get yours in soon. We give no guarantees that yours will be in the yearbook after the set due date. We will however try to accommodate as many as possible.

The deadline for receiving pictures and messages is **November 7, 2008.**

Please return the order form with your photo and check made payable to **Fairview High School: The Lance.** Mail to:

There will also be a drop-box in the main office (once school starts) that will be checked daily. All senior messages will be kept under wraps until the yearbook arrives in order to surprise the seniors. Your participation will not only please your senior, but it will help make this yearbook an extra special memory!

Thank you for your support and interest!
