

## High Notes for Monday, October 12, 2009

**Hi FMK Families:**

**The High Notes are coming to you late but hey what a day we had. Our band ROCKS. Lets here it for our kids.**

**Metro Regionals.** Monday October 12. Very important day for everyone. The next two weeks will determine how Fairview does and how our kids do. Give them some extra TLC. Let them know how proud you are of them. They deserve it. If you have seen the show and if you have seen your kids...you know it. Give them an extra hug and tell them they can slack on their chores.

-Monday Oct. 12-CBA Denver Metro 5A Qualifying Regionals-the performance determines FMK's placement for the state marching competitions. It was so great having parents there to cheer on the band. The evening was cool but the band was hot.

Fri, Oct. 16-Homecoming Football Game, 7 PM. Call will be around 5:15 PM. Remember to bring gloves to tuck in your uniform to keep your hands warm. The busses will be back at Fairview around 10:00 PM if not sooner.

**We do not have a competition on Saturday October 17th but we do have a normal day of practice, Saturday October 17th. 8:45AM -4:00PM.**

**PARENTS:** We need to know you preferences for band practice next year. Please let us know via E-mail. The more we know about what you want will help us. If we don't hear from you well...what can we say? We will take all you information up to October 27th. If we don't hear from you please don't kill us if you don't like the schedule next year.

### Upcoming Events

\*Elementary and Middle School Band Day-Wed, Oct. 28 (11:30AM-3PM)-pictures of the band will be taken by photographer Marilyn Stevens (more info will be supplied later). We do need help. Parents who can help please contact Andrea Feldman by sending her an E-mail [<feldman@stripe.colorado.edu>](mailto:feldman@stripe.colorado.edu)

\*Halloween Party-Saturday, Oct. 31, 7-11 PM. Yes it will be on Halloween. Watch for a flyer!

\*Wed evening, Oct. 28th and Thurs evening, Oct. 29th-Extravaganza-7 PM in the gym. The show will be a two night event. It will be the same show on both nights. We want to make sure everyone can see it and the fire marshal's are happy. If you have never seen Extravaganza, this is a "must-see." Remember to dress lightly, as the gym gets warm.

**QUIET ROOM:** The room may be moved, as other students want to use the room we have now to watch the Rockies. Band Room Parent Monitors please look into this to see where the new room is.

Wed-PSAT-NMSQT test on Wed-parents are responsible for transportation-call around to carpool, if you choose. Look at last Monday's High Notes for list of students taking test at different locations.

Don't forget your picture ID (student ID is good), pencils, and an appropriate calculator and batteries. Allow at least an extra 15 minutes for parking. A list of students taking the test was given to attendance and should be cleared for the PSAT. Students taking the test at Sept School should attend school before the test. Students at Bridge school or Faith Christian Academy should return to Fairview right after the test.

**CONCESSIONS:** Friday is our homecoming game. Those people working concessions please look at the schedule.

Here are the people expected at the North (Visitor) stand this Friday: Ron Steinmann, Doug and Karen Nieb, Jennifer Colvin

Here are the people expected at the South stand: Tracy Brennan, Dave Baskett, Evelyn Grell, Dan Crecco, Valerie Crecco, Pete Bialick.

Both stands may be 1-2 people short for this week and 2 people short on the October 30 game. We need additional volunteers, please?

**Last but not least I have sent an attachment of a petition for larger band door drafted by Mary Sue Rogers. This has been large problem and it is very unsafe for our kids. Please read and sign.**
