

Syllabus: Pre IB Algebra 2

Instructor	Dr. Emily Silverman <i>Office:</i> Room 224 <i>Email:</i> Emily.Silverman@bvsd.org
Requirements	Please bring your textbook, calculator, notebook, and a pencil to class each day. <i>Texts:</i> 1) <i>Algebra and Trigonometry</i> , 7th Edition, Sullivan 2) <i>Pre-Calculus Mathematics</i> , Shanks, Brumfiel, Fleenor, & Eicholz <i>Calculator:</i> A graphing calculator, such as a TI-83 or TI-84, is recommended.
Class Assessment	Class grades are determined by using the following weights: <ul style="list-style-type: none">• Homework / Classwork 20%• Quizzes / Projects / Exams 80%
Homework	Homework is assigned daily and checked during the next class period. Credit is given for completeness and neatness. If you miss a homework deadline due to an excused absence, please bring your work to the next class. If you miss a homework deadline due to an unexcused absence, you will score a zero on that homework.
Project	Students may complete at least one project each semester. In these tasks, students will begin to develop the skills of independent thinking and mathematical writing that are necessary to excel in the IB program.
Quizzes/Exams	If you miss a quiz or an exam due to an excused absence, please contact me as soon as possible to reschedule. If you miss a quiz or an exam due to an unexcused absence, you will score a zero on that task.
Infinite Campus	All homework assignments will be posted on infinite campus. If you are absent, please check there to learn what homework was assigned.
Office Hours	I am often available to meet during periods 2, 5, and 8 or by appointment. Please let me know if you need to meet.
