

Communications at Fairview

Note to Parents: *This information details the ways in which Fairview is in touch with the parent community. Several types of communications at Fairview are used in an effort to keep the Fairview community informed. Be sure to update your e-mail address and other contact information, as detailed below.*

Update Your Infinite Campus Contact Information

Log on to Infinite Campus and verify the accuracy of your home address, phone number and e-mail address before attending registration. If a correction needs to be made, e-mail the updated information to the Fairview registrar, Katy Williams, katy.williams@bvsd.org.

Knight News

One of the most important communication tools at Fairview is the Knight News. Knight News is automatically e-mailed to parents weekly and informs students and parents of current news, upcoming events, volunteer opportunities, student achievements and other timely information. If the e-mail address that you have provided on your Knight News E-mail Update Form (in this packet) changes, please contact Jenny McCarthy at jenny.mccarthy@bvsd.org with your updated e-mail address so that you can continue to receive the Knight News and other electronic communications from Fairview.

FairViews Newsletter

The Fairview newsletter is mailed to parents. FairViews contains articles from the Principal and other staff members about issues relevant to the Fairview community. FairViews also contains activities, calendars and important information from counselors, the Post-Grad Center and other organizations within our community. Your donation to FPO helps fund the cost of this important line of communication.

Fairview Website

The Fairview website details information about current events and activities. It also contains a wealth of information about many of Fairview's departments and programs. Visit the website at www.bvsd.org/schools/fairviewHS.

Daily Announcements Are On Infinite Campus

The same announcements that students hear each day during 3rd period are also listed on Infinite Campus. These announcements include club meetings, sports news, college visits and other daily and weekly community events.

Set Up Your Infinite Campus Account

If you have never accessed Infinite Campus and need to set up your parent portal, please come to the Fairview main office and present a picture ID to receive instructions to do so. If you have access, but are now locked out, please contact Jim Sullivan at jim.sullivan@bvsd.org. Please provide the parent name and student name, and your portal will be reset.
