

Welcome to Third Grade!

August/September Newsletter

Dear Parents,

Thank you for taking the time to bring your child to JumpStart testing. It is very rare to have one on one time with each child before school begins and we appreciate getting to know each child. Hopefully, meeting us and seeing their classroom will allow for a relaxing start to our year.

In the first few weeks of school we will review classroom procedures and expectations. We work very closely as a third grade team to ensure each child understands we work collaboratively. On the first day of school we met as a grade level to begin this process. We are very excited about the months to come. It will be a year of new experiences and adventures in learning.

Thank you for sending pictures with your child to school or our Writer's Notebook project. They look great and it was a lot of fun!

Once again, please remind your child to bring a healthy **(NO PEANUTS OR TREE NUTS, PLEASE)** snack and water bottles to school every day. We have several children with severe nut allergies this year, so please remind your child not to share any snack they bring.

Thank you for sharing your child with us this year.

Sincerely, Mrs. Kochevar, Mrs. Fidino, Ms. Galt
