

It's true...Centaurus is 35 years old! To celebrate, Centaurus High School and our Parent/Teacher Organization (PTO) are launching our Centaurus High School Donor Brick Program and *you are invited to participate*. Honor your student(s) and/or members of the Centaurus community—past or present—with a **personalized engraved concrete paver brick**. Your brick(s) will be embedded in the walkway in front of the high school and become a permanent part of our landscape plan.

Centaurus bricks will stand for generations as a testament of the value of this school to your family or business. In addition, your gift will help strengthen the academic, athletic and activities of Centaurus High School.
