

Superintendent's Corner – Oct. 8, 2007

I believe it is important to give back to the communities in which we live. That is why I am personally urging all BVSD employees to participate in the upcoming Employee Contributions Campaign (ECC). In past years, BVSD has usually raised between \$40,000 and \$50,000 during this campaign. I think we can do better. The goal we have set for the 2008 campaign is \$75,000. If all of us commit to give at least \$20, we will meet and even surpass the goal.

The campaign takes place Oct. 15-31. Letters, flyers and posters with details about the ECC are on their way. Employees may make a one-time donation or pledge a certain amount to be withdrawn from their pay each month during 2008. One-time donations and pledge forms are due Nov. 1, 2008.

Please join in on this very worthy cause.

Many thanks.
