

*Superintendent's Corner – Dec. 17, 2007*

In November we conducted our annual BVSD Employee Contribution Campaign (ECC) to raise money for local non-profit organizations that directly aid the community we serve. The results have now been tallied and I am proud to report that our employees contributed \$63,930 during this year's campaign.

Although that did not quite meet the \$75,000 goal we had set for ourselves this year, these results were more than 25 percent better than last year. This was the best campaign since 2002!

I appreciate the generosity of our employees very much. It is an honor to work with you.

Thanks especially to the members of BVSD's 2007 ECC Steering Committee: Jeanne Aguilar, Larry Call, Mary Card, Mark Chavez, Briggs Gamblin, Gillian Luis, Paula Miller, Maela Moore, Barbara Olsen, Leslie Stafford, and Twila Zirakzadeh.
