

## **Superintendent's Honor Roll – Nov. 13, 2007**

**Eisenhower Elementary School Paraeducator Ruth Beckwith** has been instrumental in establishing and maintaining the Latino Community Forum at Eisenhower. These monthly meetings are held in Spanish. Eisenhower almost always has 100 parents and children at each meeting. Ruth decorates the school cafeteria and organizes crews for clean up. She is often the presenter on issues parents want to know more about, including:

- Eisenhower goals,
- Explaining what ESL is,
- Working with the district,
- Parental rights, and
- Helping students with reading and writing, and student behavior expectations.

Thank you, Ruth, for your efforts for BVSD children and their families.
